What's Your Solution? Performance Management and Corrective Action

Welcome! Thank you for sharing your expertise with us today. We hope to cover a variety of challenges, solutions, and tools in five broad topics:

- Setting Expectations
- Measuring Performance
- Common Performance Failures
- New/Small Business Challenges
- Probation and Cancellation

What's Your Solution? Performance Management and Corrective Action

Under each sign, you will find a short list of challenges, methods, and tools related to that topic to help kick off a conversation. Your group should spend 25-minutes discussing your chosen topic, then one of us will call on a representative of your group to present your top two or three suggestions for preventing, mitigating, or resolving challenges associated with your topic.
